

## **Antlers! Antlers! Antlers! Antlers!**

The Utah Taxidermists Association is collecting antlers, all types to be exact. Sheds, cutoff pieces, Mule deer, Moose, Elk, any kinds of antlers you may have.

### **Why you ask?**

We are accepting donations to purchase a newer storage trailer for the Association.

Please ask everyone you know. Family, Friends, Co-workers, anyone who may have antlers they would like to donate.

We are looking to have the first batch gathered and weighed on Sunday March 19, 2017 at the ISE Expo.

Any questions please contact the UTA officers for more information:
