

Check-In on Wednesday, February 12

Check in is from 8:00 am to 8:00 pm, NO ENTRIES ACCEPTED AFTER 8 PM!!!!!!!!!!

If you bring large items you want unloaded inside the convention center you must arrive before 12:00 pm (noon). Drive through the gate at the intersection of 100 S and 200 W and the attendants will direct you to drive your vehicle onto the convention floor (following the red line path). You will drive directly to competition area (in Hall 1, marked with the green star). Once your items are unloaded you drive your vehicle back outside and find a place to park it so you can return and set up your competition items.

If you arrive after 12:00 pm (noon) you have two options. 1) You can pull through the gate and unload your items outside the convention center at the loading dock so you can use their carts to help transport your items to the competition area (Hall 1), or 2) You can find a place to park and carry your items to the convention center.

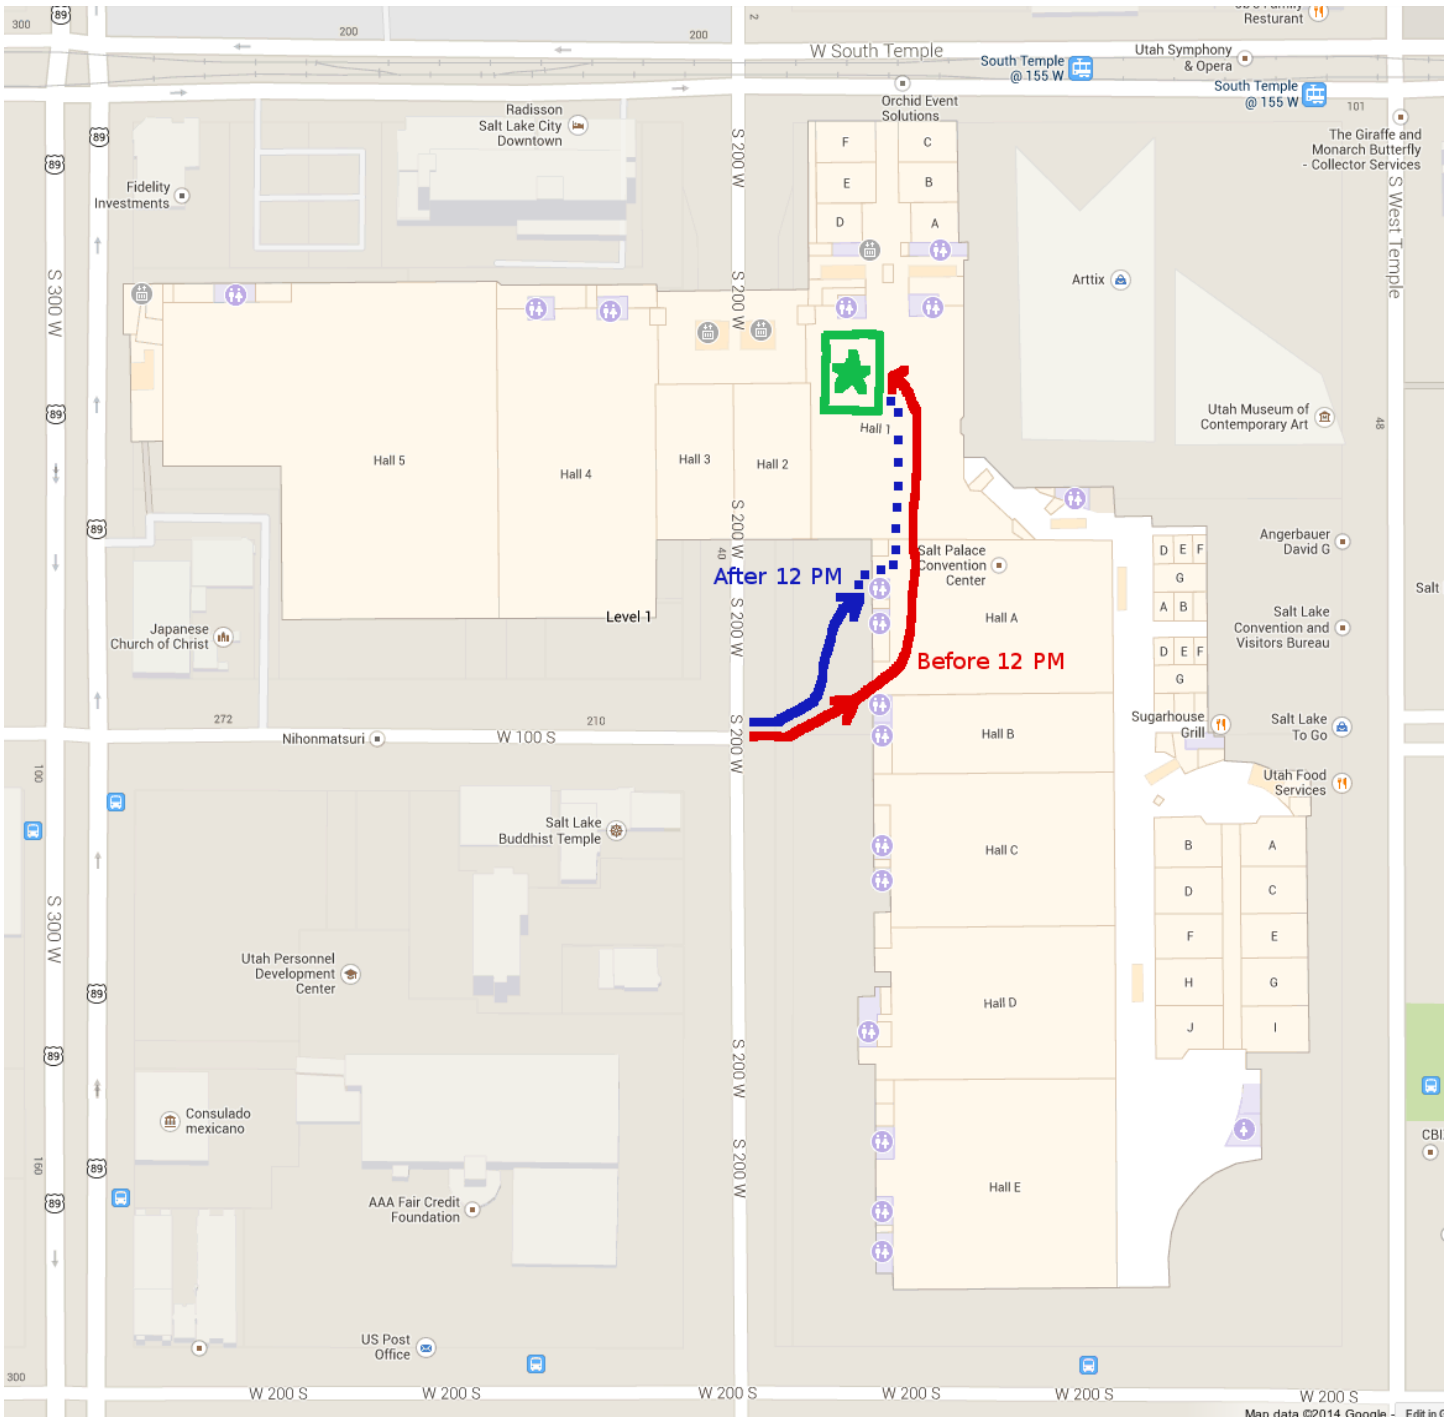

Check-Out on Sunday, February 16

All entries must remain in competition area until 4 PM!

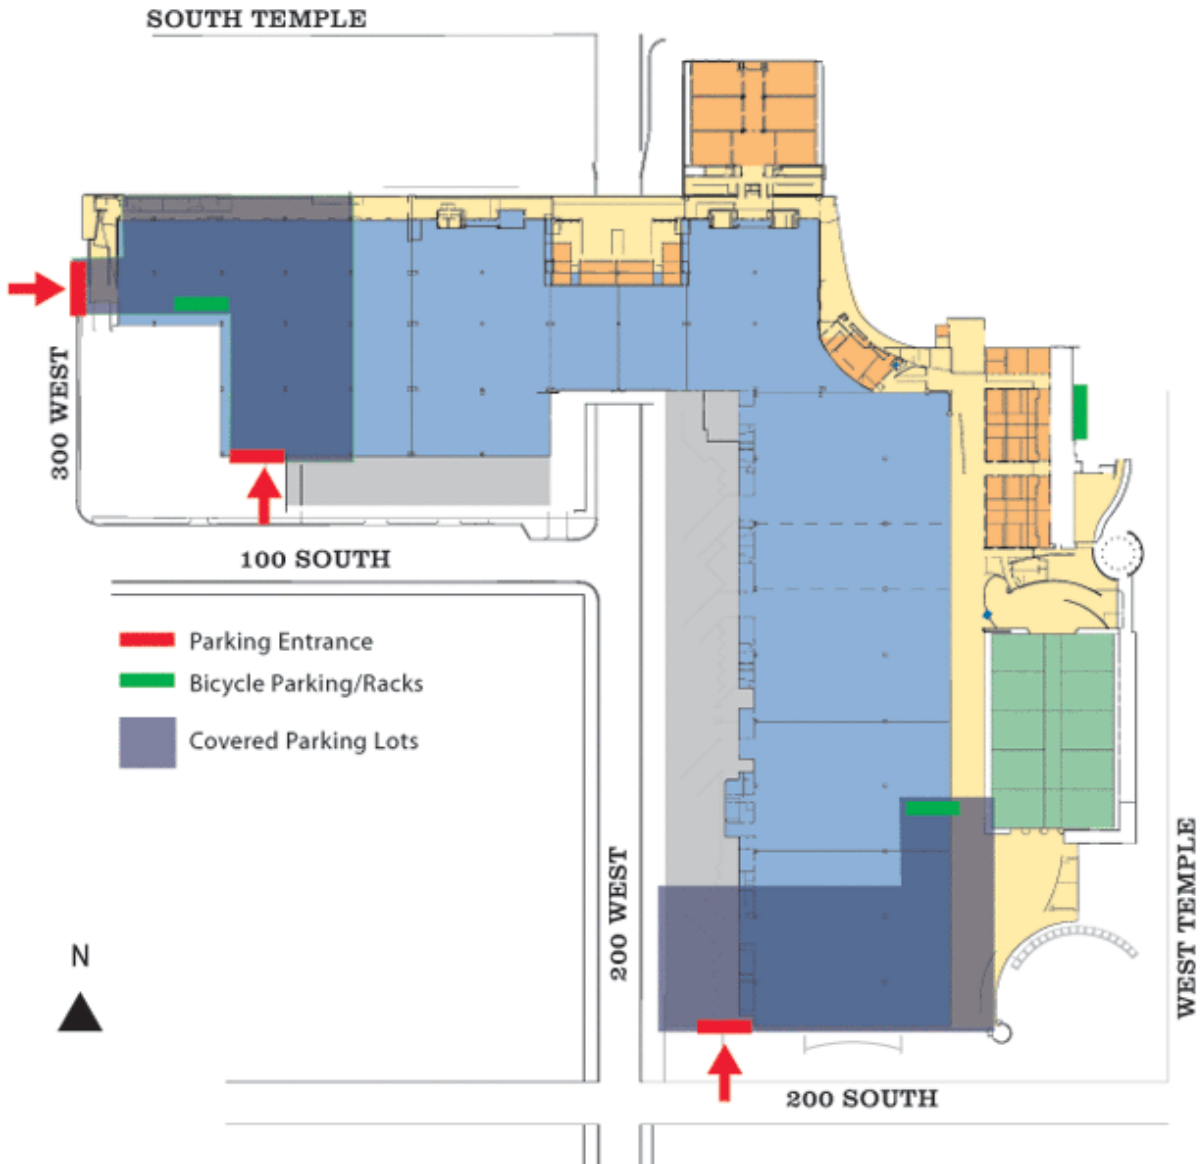

Check-Out is from 4:00 pm to 10:00 pm.

No vehicles will be allowed on convention center floor during check-out. Check-out is busy and chaotic because the entire Hunt Expo is trying to load up and move out, so please be patient. The easiest option is to plan on transporting your items to your vehicle parked outside the convention center area. Or, if you have large items and need to use a loading dock you can drive your vehicle through the gate but be prepared to wait in line.
